**REMOTE-FRIENDLY & READY TO ADOPT**

BRI Care Consultation is a proven, effective program delivered by telephone and email by any type of organization that supports family and friend caregivers as well as persons living with dementia or other chronic conditions. Licensed organizations receive initial and ongoing training for staff, manuals, customized web-based software for efficient delivery by telephone and email, and marketing and delivery tools.

BRI Care Consultation is a product of Benjamin Rose Institute on Aging and is approved for Title IIIID funding.

BRI Care Consultation is one of more than 40 dementia caregiving programs found in Best Practice Caregiving (bpc.caregiver.org), a free, online database that helps organizations identify, compare and adopt best-fit programs for their clients and community.
